These two days from MSRVS are free to attend. You are invited to attend for the whole weekend, and camping space is available. You may also attend individual days if you wish. Please tick which days you would like to attend.

MSRVS Blue Lias Inn, Southam	25/26/27 May		Free	Sat	Sun	Mon
MSRVS Tewkesbury	22/23 Jun		Free	Sat	Sun	

The Steam Apprenticeship Club will endeavour to give each apprentice a place on at least one of the driving days they apply for, therefore when selecting attendees for each driving day we may give priority to those who only apply for one driving day ahead of those who have applied for multiple days.

If you apply for multiple driving days, and would like to state a preference/priority for a particular event, please tell us by numbering your choices (i.e. #1 = first choice, etc.). We will try to accommodate preferences where possible.

Payment – Please let us know your method of payment. (Online is preferred)

I am paying Online, We have a new system for online payment. Visit www.ntet.co.uk/sac/events.htm and follow the instructions to make an online purchase.

You must include your membership number in the notes section at checkout so we can match your payment to this application.

I am paying by cheque, please include a separate cheque for each driving day you apply for. We cannot guarantee acceptance at all events, and separate cheques allows us to cash only the ones you are successful for. Cheques should be payable to 'NTET'.

To be eligible to attend a driving day, both this form AND payment must be received by the coordinator.

If the Steam Apprentice requires adjustments or adaptations to undertake activity, or has any special requirements, please describe below:

Driving days are one of the most important things we do, which is getting you on engines. We hope you will look at going to the one nearest to you to learn more about looking after an engine, steering and driving. When you go to these events you are of course representing the club. We want you to enjoy your day and be safe, so therefore please pay attention to what your instructor tells you at all times and be on good behaviour. In your invitation letter there are words that the organiser 'has the final say' on all matters and that would include removing you from an engine if deemed necessary. Also, if you have a 'health issue' that you think might affect the way you can work on an engine please do still apply, letting Danni know what it is, and she will contact the organiser of your event to make sure this causes no problems.

I have read and understood all of the above

Signed.....

If you are under 18, please ask your Parent/Guardian to sign below.

Important Notice to Parents.

The NTET has a Child Protection Policy and would never knowingly put a child at risk. The SAC could not run the driving days without the help of a large number of volunteers. Please note it is not practicable for the NTET to check all helpers. You are welcome to talk to the volunteers and are welcome to stay and observe. If you chose not to we will assume that you are satisfied that your child is safe.

Please can parents/guardians also inform us on the application of any particular support needs your child may require, so that event organizers can make reasonable efforts to accommodate them.

I have read the Notice to Parents and agree to my son/daughter taking part in the driving day as detailed

Signature of Parent/Guardian

Confirmation or rejection of places will be sent approximately a month before the event.
